

Dear Upper Horfield

It has to be said that we must have the most stylish children in Bristol! Today we were treated to a wonderful display of outfits by our children (and staff) in support of Children in Need. Thank you to all our families who supported this by making donations and sending their children in non-uniform.

Since the last newsletter, we were delighted to be joined by our year 6 friends from Elmfield next door, who taught our whole school how to sing and sign the Spanish song "Feliz Navidad." Lots of fun was had and we are looking forward to spending more time with the children and staff from Elmfield. They were really keen to come back and see how well we have done with "Feliz Navidad" after having a bit more practice!

Again, we would like to say a big THANKS to all our families who are getting to school before 8:50am. We're really impressed with how well you have responded to us closing the gates a little bit earlier, to maximise children's learning.

Please remember to let us know you would like your child to watch the Panto at SGS ASAP. This has always been a great experience for our children and we don't want them to miss out on the fun. This is an annual trip that all children thoroughly enjoy the cost is £12.00 per child if you have not received a letter, please ask the Admin Staff in the office.

Also, if you haven't done so already, make sure you have booked a time to meet with your child's teacher next week. You can do so by emailing the school or giving the office a call to see what times are available.

P.E. Kit

Please remember to make sure your child has their P.E kit in school. We have quite a number of children who regularly don't have theirs and we want all our children to get changed for P.E. so that they are wearing suitable clothing and getting the most out of their sessions.

Certificate Of Recognition

Parents/Carers, our school has received certificate of recognition for the incredible efforts from every pupil, parent and staff member that helped to facilitate the collection and made donations in support of the North Bristol & South Gloucestershire Foodbank during Harvest Festival.

Year 4 Art Project

During term 1, Year 4 focused on Roman Mosaics for their art project. The children used wooden sticks dipped in paint to create a repeat pattern to look like a mosaic. They also researched different Roman mosaic motifs for their central design.

"I like using pretty colours and the sticks to create our mosaics."

"I enjoyed creating the patterns and using different colours."

"I am proud of the corners in my mosaic"

"I liked doing something a bit different to just standard painting."
